### Call Notes:

A Representative from Texas Conservative Alliance, Jeff Mashburn, came to Itasca PD and informed IPD of complaints filed against Itasca ISD. Mashburn referenced a directive given by Attorney General Ken Paxton, regarding a protocol to request a report from local law enforcement. Mashburn was informed that the referenced charges are outside the scope of a municipal investigation. Specifically, TEC Ch. 11 SC. D, TEC Ch. 44 SC. D, TEC Ch. 44.901 SC. Z, TLGC Ch. 171 and TLGC Ch. 176. Mashburn reported that it was important to have this documented before a \$20M Bond issue with Itasca ISD. Mashburn expressed concerns regarding the ISD's \$13M debt. Mashburn provided several documents containing allegations toward Itasca ISD. Because this is outside of our investigative scope, Mashburn was referred to the Texas Attorney Generals Office and TEA regarding the alleged corruption within the ISD.
